

# Public Spaces Safety Checklist

Just because businesses are reopening, doesn't mean the risk of COVID-19 has passed. Check off these steps before you leave home to make sure you and your loved ones stay safe.

Bring masks for everyone coming with you.

Make sure you have hand sanitizer with at least 60% alcohol.

Pack disinfectant wipes to wipe off phones and other surfaces.

Consider making a shopping list to limit time in stores.

Contact the businesses you'll visit to confirm hours and safety rules.

Decide how many people you'll interact with.

Bring a credit card or devices you use for contactless payment.
